

**Request for Quotation number 19TC1020Q0606**  
**Repair and Repainting of Motor Vehicle Parking Canopies**

**Questions & Answers from the Pre-Quotation Conference and Site Visit**

The following table reflects questions as raised by prospective bidders. Our answers are based on our review of the contract and any relevant guidance or regulations.

<b>Number</b>	<b>Question as submitted by bidder</b>	<b>Answer from Contracting Office</b>
1	DBA- is it fully refundable after completion along with the final payment?	DBA – full amount will be paid as reimbursement upon submission of DBA insurance policy along with paid receipt once the service has been started as per NTP.
2.	Will Embassy provide brands and specification of materials?	Bitumen paint weatherproof Jotun brand/equivalent, Fiberglass repair kit, Joint Filling (Dow corning brand)
3.	Will Embassy provide safe storing space for the material and equipment?	As all the work areas are controlled and security monitored, no dedicated storing space will be allocated. The Contractor shall bring suitable lockable box to secure their tools and barricade the work area
4.	Will Embassy provide electrical connection /assistance?	Embassy will provide a 220Volts, AC power supply to the work area. The Contractor is to extend the power supply and make all equipment connection on their own
5.	Confirm total number of poles to be replaced.	The Contractor is NOT required to quote pricing for replacement poles. Total number of Poles that require replacement will be decided later after the award. New poles will be arranged by the Embassy if replacement is required.
6.	Confirm RAL /color code of paint to be used	Jotun epoxy paint –RAL 9010 White

Number	Question as submitted by bidder	Answer from Contracting Office
